

## Explosion View and parts list

| Ref.No. | Description                | Ref.No. | Description              |
|---------|----------------------------|---------|--------------------------|
| 1       | Engine plate               | 26      | Pulley cover             |
| 2       | Wheel                      | 27      | Hex socket bolt          |
| 3       | Left cover                 | 28      | Spring                   |
| 4       | Left cover rubber          | 29      | Copper nut               |
| 5       | Left cover rubber fasten   | 30      | Grind wire               |
| 6       | Wheel fitting bolt         | 31      | Fasten bolt              |
| 7       | Engine                     | 32      | Aluminium plate          |
| 8       | Plastic head cover         | 33      | Plate washer             |
| 9       | Top handrail               | 34      | Plastic mud cover        |
| 10      | Throttle cable             | 35      | Bearing 6003             |
| 11      | Pull wire                  | 36      | Plate frame              |
| 12      | Pull wire switch pipe suit | 37      | Mud cover fasten         |
| 13      | Pull wire switch pipe      | 38      | Rear mud cover           |
| 14      | Throttle switch            | 39      | Main frame               |
| 15      | Pull wire fasten           | 40      | Engine plate fasten      |
| 16      | Bottom handrail            | 41      | Spacer bush              |
| 17      | Right cover                | 42      | Follower pulley          |
| 18      | Right cover rubber         | 43      | D-thread Shock reduction |
| 19      | Right cover rubber fasten  | 44      | Press pulley fasten      |
| 20      | Shaft sleeve               | 45      | Press pulley spring      |
| 21      | Bearing 6203               | 46      | Rubber ring              |
| 22      | Bolt                       | 47      | Bearing 6203             |
| 23      | Press Pulley               | 48      | S-thread Shock reduction |
| 24      | Engine pulley              | 49      | Grease fitting           |
| 25      | Belt                       |         |                          |
